

Day Camp Information Sheet

Here is some key information to help prepare you and your child for camp:

Before Camp Begins - Please complete the Camper Release and Health Form enclosed in this packet, and send it to Canby Grove **by June 2nd**. If you registered after June 2nd, forms must be sent in at least 2 weeks before camp. This will allow us to be better prepared for any special needs your camper may have. If needed, you can update the form on the first day of your camp week during Registration.

IMPORTANT NOTE - A signed Camper Release and Health Form **must** be on file with the Camp Office prior to the camp session for a camper to remain on the grounds and participate in the program. We will provide campers with two snacks, so please be sure to clearly note any special dietary needs on the health portion of the form.

Registration - Between 8:00 and 8:45 on Monday morning of your Day Camp week, we will check in your camper.

New Day Camp Location: Day Camp is moving to its very own area at Canby Grove. We will still be on Canby Grove owned property, but have developed a brand new 'Day Camp Area' just for our day campers. Day campers will now have their very own playing field, above ground swimming pool, bathroom/shower area, and special trails. When dropping off and picking up your campers, you will no longer use the main entrance of Canby Grove, but our special Day Camp entrance. To find the new entrance go north on Barlow Road, take a right on Fawver Road, and the entrance will be marked with signs on the right. We are excited to be able to create a space designed specifically for our day campers. Summer 2010 is just phase one; watch for more special features to be added this area for the next few years!

Starting and Ending Times -The Day Camp will begin at 8:45am and finish at 4:15pm every day. For your convenience we have a drop off and pick-up program in place. We know how busy parents can be, so please take advantage of our camper "drive through" morning drop-off.

Drop off: 8:15 - 8:45 am

Pick-Up: 4:15 - 5:00 pm

During afternoon pick-up, please park in our new parking area, before picking your camper up, **please sign them out.**
